MODULAR WARDROBES & ORGANIZERS

Custom European Closets

Embrace organized living — always in stock, ready when you are.

WHY OUR EUROPEAN CLOSET SYSTEM

A fresh way to embrace organized living

A fully modular wardrobe and organizer system that instantly transforms any space — closet, garage, laundry, pantry, or office. Modern European design, smart organization, and professional-grade construction, engineered for quick installation.

AT A GLANCE

- ✓ **Always in stock** — components ship immediately, no long lead times
- ✓ **Fully modular** — fits any space, single or shared panels for a slim build
- ✓ **Multiple rooms** — closet, garage, laundry, office
- ✓ **Easy, quick assembly** — clean professional hardware
- ✓ **3D design** — we design your layout with you and you see it before you buy
- ✓ **Light Textile finish** — warm, neutral European texture
- ✓ **5-year limited warranty**

1 • Design

We build your ideal setup in an intuitive 3D configurator — sizes, structure, and add-ons, tweaked to a perfect fit before you order.

2 • Delivery

Every component is stocked. Your closet ships immediately and arrives ready to assemble.

3 • Install

Quick, straightforward assembly turns any wall into a stylish, functional closet — often in a single day.

STEP 1

Design the structure

Panels come in two heights and four widths with four depth options — combine modules with single or shared panels to fit the wall exactly. 3/4" panel construction throughout.

DIMENSION	AVAILABLE SIZES
Height	84" · 96"
Width (shelf)	18" · 24" · 30" · 36"
Depth	14" · 16" · 19" · 24"
Panel thickness	3/4"
Toe kick	2.5"

Widths are total shelf size, not including side panels. Corner runs connect module-to-module without a doubled panel for a seamless wrap.

STEP 2

Design each module

- ✓ **Shelves** — fixed or height-adjustable; install flat, or tilted to become display-style shoe racks
- ✓ **Drawers** — ultra-thin profile with concealed full-extension slides; buttery-smooth, whisper-quiet, full interior access
- ✓ **Hanging** — wardrobe tubes with shelf or end supports in 18" / 24" / 30" / 36", black finish
- ✓ **Toe kick** — floats the run for a clean, built-in look
- ✓ **Door & drawer fronts** — optional upgrade to 100+ European door designs (textured woodgrain, supermatt, high gloss) for a fully closed wardrobe

STEP 3 · ACCESSORIES

Pull-out valet hooks and double hooks, belt racks (6-hook, full-extension slide), jewelry organizers, shoe fences, and wardrobe tube upgrades — all in a matching black finish, sized 18" to 36".

Let's design yours

Send us your wall dimensions and a photo — we'll lay out your closet in 3D, price it as part of your whole-home project, and deliver it to your Bay Area jobsite. Backed by a 5-year limited warranty and rigorously tested, certified components.
